UEDA's next quarterly gathering for 2008 will be a follow-up to the 7<sup>th</sup> Annual Community Development Summit: *Transportation Jobs: The Case for Regional Cooperation – Getting There From Here*. Join us as we present and discuss the issues and recommendations put forth by attendees and presenters on regional cooperation, transportation and workforce development.

The event will seek consensus on the recommendations that came out of the 2008 Summit. It will also focus on how to move a regional transit agenda forward by encouraging positive public movement, and challenge elected officials to work cooperatively to develop a regional transit plan.

To learn more about what happened at the June 25<sup>th</sup> Summit, visit UEDA's website at [www.uedawi.org](http://www.uedawi.org) and click on "Events" to access a copy of the Summit Snapshot and Full Summary Report.
