

Making CONNECTIONS
MILWAUKEE

A Neighborhood and Family Strengthening Initiative

Asset Builders Council

I. Purpose

The purpose of the Asset Builders Council (ABC) is to make recommendations regarding the asset building strategy of MCM. ABC is coordinated by the Urban Economic Development Association of Wisconsin (UEDA), to fulfill the Making Connections Milwaukee (MCM) Asset Building Strategy.

II. Council Composition

The ABC will consist of a minimum of ten (10) MCM area residents and at least two (2) other partners.

III. Meetings

The ABC will meet as a large group at least quarterly from January through December of 2005 and subgroups will meet on an as needed basis and report back to the group.

IV. Compensation

MCM area residents serving on the ABC will be provided a \$25.00 stipend to assist with childcare or transportation costs associated with meetings. Light refreshments or lunch will be provided to all council members at the meeting site.
